

ENVIRONMENTAL SERVICES

HYDRITE WASTE MANAGEMENT AND ENVIRONMENTAL SERVICES

When you select Hydrite Chemical Co. you can be assured that your waste is being professionally managed in full compliance with all federal, state, and local environmental regulations.

Government regulations for waste management and treatment technologies can be confusing. At Hydrite, we are able to offer our customers environmental consulting and management services that are custom designed to fit every aspect of your company's needs, including support of RCRA, OSHA, DOT, and SARA programs.

Hydrite owns seven transfer/storage facilities conveniently located throughout the Midwest, including a Part B permitted facility in Cottage Grove, WI.
