

Hydrite Chemical Co. Purchases SERVCO® Chemical

BROOKFIELD, Wis., March 24, 2017

Hydrite Chemical Co. announces the acquisition of SERVCO, a specialty chemical company located in Lubbock, Texas. SERVCO's facility in northwest Texas will expand Hydrite's geographic reach, allowing them to more effectively service customers in the Southwestern portion of the United States.

"SERVCO's strength in the dairy, food and beverage, and energy industries align well with Hydrite's positioning as a leader in the specialty chemical market," says Hydrite Chemical Co. CEO John Honkamp. "We are excited to welcome SERVCO employees and customers into our family, and build upon the great foundation that SERVCO established."

With the acquisition, Hydrite now has 12 facilities spread throughout 6 states.

Hydrite has developed a reputation within the industry for providing the distinct combination of excellence in chemical manufacturing and distribution with the most comprehensive level of technical expertise available. To learn more, visit www.hydrite.com or call (262) 792-1450.

About Hydrite Chemical Co.

Hydrite, a family-owned company established in 1929, is one of the largest independent providers of chemicals and related services in the United States. Headquartered in Brookfield, Wisconsin, Hydrite has a network of manufacturing facilities, warehouses, and laboratories located in Illinois, Wisconsin, Iowa, Indiana, California, and Texas with over 900 employees in 23 states. Hydrite owns and operates a private fleet of over 255 units including tractors, van trailers, tankers, and railcars.

Hydrite offers expertise in chemical distribution and manufacturing, food and dairy sanitation, organic processing, liquid sulfites, foam control, water treatment, and compliance management services.

With over 5,000 items in its product portfolio, Hydrite's dedicated chemists, engineers, and technical service staff have extensive knowledge and experience in solving the most challenging formulating problems. Hydrite has a strong commitment to quality and customer responsiveness, and offers superior products and innovative solutions.
